**4. Degree competences achieved in this course****Course competences**

Code	Description
E07	Understand the economic environment as a result and application of theoretical or formal representations on how the economy works. To do so, it will be necessary to be able to understand and use common handbooks, as well as articles and, in general, leading edge bibliography in the core subjects of the curriculum.
E08	Ability to produce financial information, relevant to the decision-making process.
G01	Possession of the skills needed for continuous, self-led, independent learning, which will allow students to develop the learning abilities needed to undertake further study with a high degree of independence.
G03	Develop oral and written communication skills in order to prepare reports, research projects and business projects and defend them before any commission or group of professionals (specialised or non-specialised) in more than one language, by collecting relevant evidence and interpreting it appropriately so as to reach conclusions.
G04	Ability to use and develop information and communication technologies and to apply them to the corresponding business department by using specific programmes for these business areas.

**5. Objectives or Learning Outcomes****Course learning outcomes****Description**

Search for information in order to analyze it, interpret its meaning, synthesize it and communicate it to others.

Know the analytical models and techniques of the economic and legal environment currently faced by enterprises, with special attention given to the search for opportunities and the anticipation of potential changes.

Know the main theories and approaches of economic analysis to be able to explain the behavior of economic agents at the micro and macroeconomic levels, as well as the imperfections that may arise in different sectors as a consequence of the economic process.

Understand diversity in terms of people and cultures.

Work out problems in creative and innovative ways.

**Additional outcomes****6. Units / Contents****Unit 1:**

Unit 1.1

Unit 1.2

**Unit 2:**

Unit 2.1

Unit 2.2

**Unit 3:**

Unit 3.1

Unit 3.2

**Unit 4:**

Unit 4.1

Unit 4.2
