2. Pre-Requisites

In order to present and defend the Final Work of the Master (FWM), the student must have passed all the credits corresponding to the compulsory and optional subjects, that is, 48 credits.

Full-time students will be entitled to the assignment of the corresponding FWM tutor. Tutors will be assigned during the first semester, taking into account the itinerary selected by the student. Part-time students will be entitled to the corresponding FWM tutor assignment when they are enrolled in the total number of credits pending for the Master's degree.

3. Justification in the curriculum, relation to other subjects and to the profession

The main objectives of the Master's Degree in Business Strategy and Marketing are to provide students with in-depth knowledge of the acquisition of skills in the field of business strategy, to train them to undertake a research project in business strategy and to make management decisions in accordance with a strategic approach. To this end, various subjects are programmed to provide students with the knowledge necessary to achieve the objectives defined. The final epilogue of all this, the achievement of the objectives and the acquisition of skills, is the completion of the Final Master's Work in which the student must work and research on a subject from the strategic perspective of the company and defend it before a committee of researchers.
