Code Description

1.1.2.II.10 Design, plan and evaluate teaching and learning processes.

Design, plan and evaluate teaching and learning processes, both individually and in collaboration with other teachers and CG02

professionals in the centre.

Design and arrange learning spaces, with consideration of diversity and gender equality, equity and respect for human rights, which CG04

constitute the values of citizenship.

Promote coexistence inside and outside the classroom, solve discipline problems and contribute to the peaceful resolution of conflicts. CG05

Boost and value pupils' effort, determination and self-discipline.

Understand how Primary Education schools are organised and how they work. Lead tutoring and counselling sessions with pupils and CG06

their families, attending to each pupil's particular educational needs. Assume that teaching practices must constantly improve and be

updated to the latest scientific, pedagogic and social changes.

Collaborate with the different sectors of the education community and social environment. Assume the educational role of teaching CG07

practice and promote democratic education for active citizenship.

CG09 Value individual and collective responsibility for a sustainable future.

Reflect on classroom practice to allow innovation and improvement of the teaching practice. Acquire habits and skills for autonomous CG10

and cooperative learning and promote it among pupils.

CG13 Promote respect for constitutional rights and equality between men and women.

Promote respect for Human Rights and the principles of universal design for everyone under the tenth final provision of Act 51/2003, of **CG14**

the 2nd December, of equal opportunities, anti-discrimination and accessibility for people with a disability.

CT02 Master information and communication technology (ICT).
