Description

Acquire the necessary phonetic, grammatical and discursive tools so as to use the English language autonomously.

Delve into pupils' development of the communicative competence in the English language, by reading literary texts in their original language, presenting and discussing their characteristics and through written expression.

Employ ICT resources for the teaching and learning of the English language.

Understand the main ideas and supporting details of an oral discourse in standard language dealing with different current topics, such as work, school, leisure time or their future professional needs.

Be able to write coherent and cohesive texts on a wide range of topics related to their personal or professional life by using different elements in a linear sequence.

Be able to make an oral description or maintain a conversation on a wide range of topics of general interest or related to their specialty.

Know how to implement different methodologies and teaching-learning strategies according to the established objectives and the pupils' needs.

Read and understand written texts about general and specific facts that deal with sociocultural, literary, methodological or current-affairs topics at a satisfactory level of comprehension.
