2. Pre-Requisites

There are no mandatory prerequisites for the course entitled 'Growth Strategies.' Still, it is recommended to have taken courses on strategic management and business venturing, such as 'Strategic Management' and 'Business Venturing.' It could be followed concurrently within the first semester of the same academic year. As a note on important related information, considering that all these three courses are taught in English, if the student passes at least two of the three, the B1 level of English will be recognized.

3. Justification in the curriculum, relation to other subjects and to the profession

Growth Strategies is a course directly connected to the course of the fourth course of the Degree in Business Management and Administration 'Strategic Management.' It deals with issues related to the firm's corporate strategy such as diversification, cooperation agreements and internationalization, along with aspects of strategy implementation.

Evaluation System	Continuous assessment	Non-continuous evaluation*	Description
Final test	0.00%	100.00%	See evaluation criteria of the ordinary call according to the non-continuous evaluation system.
Progress Tests	100.00%	0.00%	In-class activities, presentations, individual and group problem-solving cases and tests
Total:	100.00%	100.00%	

According to art. 4 of the UCLM Student Evaluation Regulations, it must be provided to students who cannot regularly attend face-to-face training activities the passing of the subject, having the right (art. 12.2) to be globally graded, in 2 annual calls per subject, an ordinary and an extraordinary one (evaluating 100% of the competences).

Evaluation criteria for the final exam:

Continuous assessment:

The final grade will be the average of the score obtained in the 8 progress tests (two tests for each of the 4 lessons), discounting the 2 worst scores obtained by each student regardless of the lessons in which they were obtained.

Non-continuous evaluation:

The final exam will consist of multiple-option questionnaire (20 questions, with one point for each correct answer, without penalty for blank answers and with a penalty of 0.5 for incorrect answers) with a weighting of 50% and a practical case of semi-structured response (4 questions, no penalty for blank or incorrect answers) with a weight of 50%.

Specifications for the resit/retake exam:

The progress tests are not recoverable, so the evaluation will be non-continuous in this evaluation call.

Specifications for the second resit / retake exam:

The progress tests are not recoverable, so the evaluation will be non-continuous in this evaluation call.
