| Code | Description                                                                                                                                                 |
|------|-------------------------------------------------------------------------------------------------------------------------------------------------------------|
| E01  | Interpret the evolution of human societies in a diachronic perspective, taking into account the importance of historical change.                            |
| E02  | Understand and value the History of Spain and Hispanic America and the contributions of their culture within the framework of Universal History.            |
| E03  | Interpret and analyze critically present situations from their historical origins.                                                                          |
| E08  | Know, understand and interpret the territory of the studied region interrelating the phenomena at different scales.                                         |
| E20  | Develop methods for the use of an accurate and appropriate vocabulary.                                                                                      |
| G02  | Knowledge of Information and Communication Technologies (ICT)                                                                                               |
| G03  | Correct oral and written communication.                                                                                                                     |
| G04  | Ethical commitment and professional ethics.                                                                                                                 |
| G05  | Possess and understand knowledge in Humanities at a higher level, including some cutting edge knowledge in the different fields of study within the Degree. |
| G07  | Be able to develop and defend arguments and solve problems within the Humanities and Heritage field.                                                        |
| G08  | Have the ability to gather and interpret relevant data to inform judgments that include reflection on relevant social, scientific or ethical issues.        |
| G09  | Know how to read, understand, critically analyze and synthesize texts from the Humanities and Heritage field, integrating them into a speech of their own.  |
| G10  | Ability to write a monograph, undertake field work or perform basic empirical study, using the methodological criteria of the disciplines of the Degree.    |
| G11  | Be able to communicate information, ideas, problems and solutions to both specialist and non-specialist audiences.                                          |
| G12  | Develop those skills needed to undertake further studies with a high degree of autonomy.                                                                    |
| G13  | Innovate the presentation and dissemination of culture, transmitting the acquired knowledge in an organized manner.                                         |
| G14  | Relate the generalist approach of the different areas of knowledge of the degree with the specialized framework in the field of vocational guidance.        |
| G17  | Develop the ability to overcome stereotyped relationships and interpretations.                                                                              |

**5. Objectives or Learning Outcomes****Course learning outcomes****Description**

Understand and value the History of Spain and Hispanic America and the contributions of their culture within the framework of Universal History, as well as analyze critically the situations of the present from their historical origins.

**Additional outcomes****6. Units / Contents****Unit 1:****Unit 1.1****Unit 1.2****Unit 1.3****Unit 1.4****Unit 2:**
