Code	Description
CB02	(i) Applying their knowledge in their professional career; and (ii) gaining critical thinking skills allowing them to raise and support arguments and to solve issues within their field of study.
CB03	Gathering and interpreting relevant information (usually within their field of study) to reflect and give meaningful insights about relevant social, scientific or ethical issues.
CB05	Developing the necessary learning abilities for further autonomous study.
CE01	Examining the interaction of international organizations, non-governmental organizations, and individuals worldwide with a focus on states.
CE02	Connecting and relating historical processes and events within the current world order.
CE03	Being able to tell the difference between the various powers, roles and prerogatives of states, international organizations and non-state actors in the international arena.
CE04	Gaining knowledge of (i) world geopolitics; and (ii) the concept of international society.
CE17	(i) Being able to bring together, link and jointly examine the major contemporary political theories and the existing political systems over the last decades; and (ii) gaining knowledge of the development, structure and functioning of these systems' political bodies.
CE20	Being able to identify, fulfill and implement ethical principles guiding a civic behavior vis-à-vis the main challenges faced by the international society, including human rights, democracy, migration, equality, peace and security, and environmental degradation.
CE29	Gaining knowledge of the language and cultural specificities embedded in the working languages used in international contexts.
CG01	Researching and sorting out meaningful international information on law and economics relying on various sources (including oral, written and online sources).
CG03	Gaining in-depth knowledge of global societies and political and economic systems, including a gender perspective.
CG04	Accessing and sorting out information and documents related to the fields of study.
CG05	Being able to critically examine and discuss international affairs and current events, including a gender perspective.
CT04	Acquiring an ethical commitment and professional ethics.
