2. Pre-Requisites

To be able to register in Practicum II, students must have passed Practicum I.

3. Justification in the curriculum, relation to other subjects and to the profession

Practicum II continues the training initiated in Practicum I, the knowledge of the classroom and the educational centre and its context as reference frameworks to understand the teaching practice. This course, the last of the Syllabus of the Degree in Primary Education, is aimed at putting into practice their basic training in teaching and specific area requirements acquired in the different curricular areas. Moreover, the teaching practicum of the 4th grade will permit the acquisition of knowledge, information and abilities which are necessary for students' career.

4. Degree competences achieved in this course

Course competences

Code	Description
1.3.II.01	Acquire practical knowledge to be applied in the classroom and manage it.
1.3.II.02	Know and apply interaction and communication processes in the classroom and master the necessary abilities and social skills to create a classroom atmosphere that makes learning and coexistence easier.
1.3.II.03	Monitor the educational process, especially teaching-learning, through the mastery of the necessary techniques and strategies.
1.3.II.04	Relate theory and practice to the real setting of the classroom and the centre.
1.3.II.05	Participate in the teaching practice and learning know-how, by acting and reflecting on experiences.
1.3.II.06	Participate in the improvement measures of the different scopes of action in a centre.
1.3.II.07	Regulate interaction and communication processes in groups of 6-to-12-year-old pupils in Primary Education.
1.3.II.08	Know forms of collaboration in the different sectors of the education community and social environment
CB01	Prove that they have acquired and understood knowledge in a subject area that derives from general secondary education and is appropriate to a level based on advanced course books, and includes updated and cutting-edge aspects of their field of knowledge.
CB02	Apply their knowledge to their job or vocation in a professional manner and show that they have the competences to construct and justify arguments and solve problems within their subject area.
CB03	Be able to gather and process relevant information (usually within their subject area) to give opinions, including reflections on relevant social, scientific or ethical issues.
CB04	Transmit information, ideas, problems and solutions for both specialist and non-specialist audiences.
CB05	Have developed the necessary learning abilities to carry on studying autonomously
	Know the curricular areas of Primary Education, the interdisciplinary relationship between them, the evaluation criteria and didactic

CG01	knowledge about the corresponding teaching and learning procedures.
CG02	Design, plan and evaluate teaching and learning processes, both individually and in collaboration with other teachers and professionals in the centre.
CG03	Effectively deal with language learning in multicultural and plurilingual contexts. Encourage pupils to read and critically assess texts from different scientific and cultural domains within the school curriculum.
CG04	Design and arrange learning spaces, with consideration of diversity and gender equality, equity and respect for human rights, which constitute the values of citizenship.
CG05	Promote coexistence inside and outside the classroom, solve discipline problems and contribute to the peaceful resolution of conflicts. Boost and value pupils' effort, determination and self-discipline.
CG06	Understand how Primary Education schools are organised and how they work. Lead tutoring and counselling sessions with pupils and their families, attending to each pupil's particular educational needs. Assume that teaching practices must constantly improve and be updated to the latest scientific, pedagogic and social changes.
CG07	Collaborate with the different sectors of the education community and social environment. Assume the educational role of teaching practice and promote democratic education for active citizenship.
CG08	Critically and autonomously assess one's own knowledge, values and also those of the state, public and private social institutions.
CG09	Value individual and collective responsibility for a sustainable future.
CG10	Reflect on classroom practice to allow innovation and improvement of the teaching practice. Acquire habits and skills for autonomous and cooperative learning and promote it among pupils.
CG11	Know and apply information and communication technology in the classroom. Select audiovisual information which contributes to learning, civic training and cultural richness.
CG12	Understand the role, possibilities and limits of education in today's society as well as the key competences affecting Primary Education schools and professionals. Understand the benefits of application of quality improvement plans in educational centres.
CG13	Promote respect for constitutional rights and equality between men and women.
CG14	Promote respect for Human Rights and the principles of universal design for everyone under the tenth final provision of Act 51/2003, of the 2nd December, of equal opportunities, anti-discrimination and accessibility for people with a disability.

8. Evaluation criteria and Grading System			
Evaluation System	Continuous assessment	Non-continuous evaluation*	Description
Practicum performance	50.00%	0.00%	ECI Order 3857/2007, of December 27, determines that the Practicum will be face-to-face and will be supervised by university professors and primary school teachers accredited as internship tutors. Therefore, there is no other modality than face-to-face. Attendance, face-to-face at school (25 hours per week), to the preparatory phase at the Faculty of Education and to seminars convened by the Faculty tutor is mandatory and non-retrievable.
Practicum and practical activities reports assessment	50.00%	0.00%	Writing practicum report. Students' final written report about their school placement.
Total:	100.00%	0.00%	

According to art. 4 of the UCLM Student Evaluation Regulations, it must be provided to students who cannot regularly attend face-to-face training activities the passing of the subject, having the right (art. 12.2) to be globally graded, in 2 annual calls per subject, an ordinary and an extraordinary one (evaluating 100% of the competences).

Evaluation criteria for the final exam:

Continuous assessment:

Marking:

- 50% of the mark by the school tutor-teacher.
- 50% of the mark by the tutor-lecturer of the Faculty of Education (including the tutoring sessions, school visits, practicum report).

Those students who obtain less than a 4 in the school evaluation report must repeat their placement.

Those students who obtain less than a 4 to the tutor-lecturer of the Faculty of Education will have the opportunity to resubmit the report in the extraordinary call with the due modifications under the tutor's of the Faculty of Education advice.

Anyway, to pass the course, the average must be equal to or greater than 5.

Attendance at seminars convened by the Faculty tutor for orientation and monitoring of the Practicum are mandatory. Consequently, those students who, without justification, do not attend them, will be evaluated as "Absent".

Important remarks: For the report, the quality of the language employed will be considered. In fact, for every mistake of those included in the list "mistakes to avoid" (see Moodle), the student will miss 0.25 points in the corresponding activity up to a maximum of 3 points (12 mistakes).

***Plagiarism policy: See article 8 of Students Evaluation Rules.

Non-continuous evaluation:

As established in the description above, there is no other modality than face-to-face.

Specifications for the resit/retake exam:

The evaluation criteria of the extraordinary examination session will be the same of the ordinary examination session.

Specifications for the second resit / retake exam:

The evaluation criteria of the special or supplementary examination session will be the same of the ordinary examination session.
